PRICE LIST & SERVICES

203 QUEEN STREET SOUTH, BOLTON, ONTARIO L7E 2C6 (905) 857-2213

KNOWLEDGE. COMPASSION. **RESPECT.**

KNOWLEDGE

We understand there are hundreds of decisions you need to make when a death occurs and we have the experience and knowledge to walk you through all of them. We know what needs to be done immediately and what can be dealt with at a later date. The Egan Funeral Home has nine licenced funeral directors on staff to address your questions and concerns. There is no problem too big or request too unique; come to us and we will assist you with kindness and insight.

COMPASSION

Grieving families are some of the most vulnerable people in our community and we take our job as caregivers to the bereaved very seriously. Some of the services we offer at no extra charge include:

- *An opportunity to say a private goodbye;*
- *Memorial picture boards, videos and music;*
- *Assistance with Provincial and Federal Government forms;*
- *Complimentary books on healing;*
- *Access to our extensive library of texts related to grief and loss for both adults and children;*
- *A Christmas Memorial Service to help you through the holidays.*

RESPECT

We honour all faiths and cultural backgrounds and are able to personalize a service according to your specific wishes. The Egan Funeral Home is well equipped to serve your needs in a way that is appropriate for your loved one. We respect your history, your customs and your budget.

Funeral service has evolved and the Egan family has adapted to the changing wants and needs of our community. We dedicate ourselves to comforting families at a time when they need guidance and direction in their life. Each funeral should be as unique as the person who lived and we pride ourselves on creating beautiful tributes to each and every person we serve.

We strive to provide the highest level of service for a reasonable, competitive price. We are in tune with the industry standards and ensure our value exceeds expectations for your family. While our fees are fixed, they are fair for the level of service we provide. Beautiful funerals do not need to be expensive funerals and some of the most interesting ways we personalize funerals cost nothing. This is what over 100 years in business gives you: service, quality, and affordability.

We respect the needs of families and always try to have one funeral director follow through with arrangements, visitation and on the day of the funeral service. You will not be dealing with one director during arrangements, then a different one for visitation, and yet another one to help you on the day of the funeral service. Your comfort level is one of our main concerns. Having the same funeral director walk through the initial part of this journey with you is very important.

The Egan Funeral Home is owned and operated by Paul Egan. He, and his daughters Elaine and Kimberley, have continued the high standard of service started by Paul's grandfather, William R. Egan, in 1913. We have the knowledge and compassion to make the funeral what you need and respect your values, customs and budget.

FUNERAL PAYMENT OPTIONS

We are honoured you trust us with your loved one and taking care of your needs. We do not give deals or discounts off the service fee and will not negotiate price. We treat every family with the same exceptional service, kindness and attention to detail.

Full payment is required at time of arrangements. Please be prepared with a personal cheque, Visa, or Master Card as we accept these forms of payment. If costs are an issue, please ask us about alternative services or supplies, or assistance from the Public Works Department in the region your loved one lived in.

Funding - Pre-Payment in advance of time of need:

Families have an option of pre-arranging before time of need. Some families wish to go one step further and pre-pay for their choices. Egan Funeral Home offers two options when prepaying services or supplies:

Trust: You pay for the services and supplies at today's price and the funeral home will place your money in a trust account, where the principal will gain interest until the prepaid contract is fulfilled which is at time of need. Pre-payment can be made by Visa, Mastercard or automatic withdrawal from your bank account. Your monies are entrusted with Guaranteed Funeral Deposits of Canada. Funds are held in the purchaser's name.

Insurance: You may purchase an insurance or annuity policy through our funeral home and entrusted with Guaranteed Funeral Deposits of Canada, where the proceeds of the insurance/annuity policy will be used to pay for the services or supplies at the time they are delivered. Payment may be made by Visa, Mastercard or automatic withdrawal for single payments. Time payment plans may be made by pre-authorized withdrawal from your bank account. The policy is held in your name and assigned to the funeral home. Terms and conditions and cancellation policies are set by Guaranteed Funeral Deposits of Canada.

Guarantee: When paid in full in accordance with the payments terms set out in the prepaid contract, the prepaid contract is guaranteed. The principal paid plus interest earned will be applied to the at need price of the services and supplies. If the total principal plus the interest are insufficient to cover the total at need price of the services and supplies, the funeral home will absorb the difference in costs. If however the principal plus the interest is in excess of the total at need price of the prepaid services and supplies, the excess funds will be returned or applied toward additional services, supplies and disbursements purchased at time of need. Any changes to the prepaid contract may result in the prepaid contract being null and VOID and a new contract will apply with current day price list applied.
